

The Anti Bullying Policy was last reviewed by the BOM on 27th November, 2023. The only amendment made was that with effect from January 8th 2024, with regard to dealing with reports of bullying behaviour, the Year Heads are deemed as 'relevant teachers'. They may investigate reports of bullying in accordance with the schools Anti-Bullying Policy. At all times, they may seek the support of the Pastoral Care Team and the Principal and Deputy Principal.

The checklist for the annual review of the antibullying policy may be viewed at the school or a copy can be requested from the school principal / deputy principal.
